Dear Alan:

As we discussed last week, a twelve hour weekend Cardiac Surveillance Technician position has been posted at KSMC. The shift switches from days to nights on alternating weekends. The hours are from 6:00 a.m. to 6:00 p.m. or 6:00 p.m. to 6:00 a.m. We agreed an hourly wage differential of \$1.65 will be paid for this 24 hour weekend position.

Please sign below indicating your agreement with this understanding.

Yours truly,

Susan J Hron
